

ORGANIZE

First Edition of The Crystallography and Materials Science Workshop

**THEME:**

*"Crystallography at the heart of Materials Development"*

**VENUE :**

UniversiTE des Sciences et Techniques de Masuku,  
*Franceville-Gabon*

1st – 3rd  
December 2026

**SUB-THEME :**

- Crystal lattices and symmetry
- Crystallographic calculation
- International tables of crystallography
- X-ray scattering and diffraction
- Resolution of crystal structures on single crystals
- Powder diffraction and practical work on the diffractometer
- Materials and the environment
- Crystallography for understanding the properties of materials

**HOW TO APPLY:**

CV (incluant age)  
Letter of recommendation  
Scholarship Application  
Registration receipt  
Abstract  
**Send via:**

 [workshopmasuku@gmail.com](mailto:workshopmasuku@gmail.com)

**Contact Persons:**

*Dr. Albert Novy Messi, Secretary*  
 +241.66.03.62.83

*Dr. Crislain BISSIELOU, Vice - Secretary*  
 +241.66.59.29.92

Deadline

30th September 2026
